Hello Fellow Artists and Art Lovers

We are excited to announce that **registration** for the November 2022 Morgan Hill Open Studios event is officially open! The event will take place on Saturday and Sunday, November 5th & 6th, 2022 from 10am-4pm. We have several registration dates available to you. Early Registration began on May 1st.

Please refer to our original email, [Morgan Hill Open Studios Website](#) or the [Artist Resource Page](#) to view the pricing structure and registration dates.

The MHOS features local artists from across South Santa Clara County, including: Morgan Hill, San Martin, Gilroy and South San Jose. However, if you know of an artist who may be interested in participating, we encourage you to forward this email to them. Artists located outside of these areas will need to showcase their work with either a local artist or in one of our communal locations situated in Morgan Hill. Those without a studio space will be contacted to set up a location.

We will be announcing Open Registration on all social media platforms. ie. Facebook, Instagram, and Nextdoor. Our Website has been streamlined and very easy to follow.

The Morgan Hill Open Studios is made possible with the help of the [Morgan Hill Library, Culture & Arts Commission](#) (LCAC), comprising LCAC commissioners, local artists and community volunteers, and operates as a non-profit under the [Morgan Hill Community Foundation](#).

Sincerely,

Morgan Hill Open Studios Committee
