Hello Fellow Artists,

Above is the link to our new "Code of Conduct" document. And while we know all of our artists would be following these guidelines, it is important to reiterate what is expected of us.

We have many city organizations sponsoring us, and because we are using public venues for our communal spaces this additional requirement has come up.

Please Acknowledge back to this email that you have read and agree to the terms of the Code of Conduct Document.

We sincerely appreciate your cooperation in helping to make this event a safe and successful one for all of us.

Warm Regards,

Cindy Blanton

Hello Fellow Artists,

We are thrilled that our brochures are ready for pick up at Colibri Gallery, downtown Morgan Hill.. Each artist can pick up 20 or so brochures as needed. These brochures are for you to hand out to your friends and family. We will be placing additional brochures around town for the general public to access when they come for the event weekend.

Let people know there are brochures at the CCC, CRC, Library, BookSmart and of course Colibri Gallery.

Please check with Colibri's website for their hours of operation.

Hope you are as thrilled about our brochure as we are.

Enjoy
